

Experienced Telecommunications Specialist

Join our team on the beautiful North Olympic Peninsula

At Pacific Office Equipment our staff is made up of well-trained, highly motivated professionals. Our employees have excellent customer service skills and are team players, willing to do what it takes to meet our customer's needs and expectations. Our telecommunications specialists are no exception.

The ideal candidate will be NEC trained and have PBX experience. Candidate should also have excellent customer service skills, be able to trouble shoot issues over the phone, independent on-site repair, installations at customer sites and perform service calls in the appropriate order with emphasis on response times. Must be able to clear service calls with dispatch efficiently and legibly. Installs local area networks and related equipment as required.

If you are tired of just feeling like a number, join the Pacific Office Equipment team and be part of a family. Pay is based upon experience with benefits available after 90 days. If you would like to be considered for part of our team, please send resume to: service@poeinc.com, or mail resume to:
